

2007 BP MS150 Training Series - Breaking News...

...I am buried in Rodeo Run logistics so I will hold off some GREAT safety feedback until next week when there is time to do the material justice.

In the meantime, I did want to share a few key reminders with everyone:

1. The Sunday ride is a make-up ride

It is intended for riders who are participating in the ConocoPhillips Rodeo Run on Saturday or volunteering to support our ride Saturday and or Sunday. If it rains tomorrow, I wish we could accommodate all the Saturday riders but we don't have a support team or enough food/drinks to handle this. Please work with us on this or we will be overloaded Sunday.

2. The Bike Club Hotline is 281 293--2931

I will be checking the weather at 4:30 Saturday and will update the line if a rain cancellation is needed

3. No Tyvek Bands Issued on 2/24

We will resume the issuance of Tyvek bands next Saturday, 3/3. You can still pay - I sent the payment list to the captains in charge so you can pay - remember, it's \$85 to pay tomorrow.

4. Carpooling Required

This is the case all season. If your normal carpool partner is running tomorrow, you may be able to meet another partner. One option along I-45 is the Conroe Outlet Mall or the Cracker Barrel restaurant across I-45 on the southbound side. Remember to check the Nike Outlet if you meet near there...

OK, back to the Rodeo Run...

Stephen Moskowitz

Team Captain, ConocoPhillips
