

### **MS 150 Registrations are Non-Transferable**

Unfortunately, riders are not permitted to transfer their registration. The MS sent a reminder to this effect to all captains on Tuesday and a reminder will probably be going to all riders soon as well.

This is done for safety reasons. The MS accepts 13,000 riders because they know that around 1,000 will end up canceling. The Texas Dept of Transportation has agreed to permit approx. 12,000 riders on the road so the NMSS "overbooks" knowing that the ride will end up with a safe number of riders.

**PLEASE** respect this process so that the riders who can ride will be safe and so the MS150 will be able to continue in future years when you can ride.

### **Alternate MS150 Opportunities**

If you missed the registration cut-off for this year's tour, there are many volunteer opportunities available. There are many registration spots open for the Sam's Club MS150 in Dallas and Valero MS150 in San Antonio. Please go to [www.ms150.org](http://www.ms150.org) to get more information about volunteer opportunities or to register for one of the other tours.

Remember to register as soon as possible every fall, because Steve has predicted that in the near future, the BP MS150 will sell out before registration opens!
