Sorry this is late - I moved offices today and I had to finish packing and get out of the movers way for a few hours this morning and was not able to get this note out before the move started.

**Here is a quick update on parking in Fayetteville...**

Fayetteville is "The Bike Friendliest Town in Texas" lets do our part to keep it that way. Coming into town on 955, turn right to the square, left to parking at the school. Starting at 6:45 a sheriff's deputy will be at the corner as you enter Fayetteville directing cyclists to the school. It is 4 blocks back from the school to the square.

When parking at the town square please do not use the spaces in front of the bank, along the street with Orsak's and Keiler's, along the street with Joe's Place and Jerry's General Store. Leave those spaces open. Parking is allowed in the middle of the street around the square. On the side streets be careful to not block any driveways or fire hydrants. There is parking along the railroad tracks one block east of the square.

Once the town square and the school fill, you will need to park on a side street. Please DON'T block any driveways, mailboxes, etc. There are enough side streets to spread out so please do so. Fayetteville is only a few blocks across so you can move over a street if the first one you try is getting full and still have a very short ride to the town square where we will sign in and start. There is also quite a bit of parking just east of town alongside the railroad track that runs north/south. If you carpool and arrive early, you will have a pleasant drive and no stress on the ride. I'm meeting my carpool at 4:45 at Grand Parkway & I-10 but I need to arrive early. You can sleep in and meet at 5:15 - 5:30 at the latest and should make it on time.

Port-a-lets will be available at both the school and the town square. Sign-in and ride is at the square.

**Reminder - Directions to Fayetteville**

From Houston, drive west on I-10 to exit 695 (just west of Columbus); veer right on Highway 71 west. Drive 14.8 miles to FM 955 (~1.8 miles past Ehlinger); turn right on 955 and go ~4.7 miles to the stop sign which is the junction with Rusk St/Highway 159. Turn right to the town square, or left for parking at the school.
