Dear Cycling Friends,

We are reaching out to you as you have been a great supporter of Ready2Roll Cycling and we want to not only make you aware of changes forthcoming but maybe capture your interest.

After 10 years of leading, nurturing, expanding and enjoying Ready2Roll Cycling, we are excited to announce that we are actively seeking viable candidates interested in acquiring our business and keeping the continuity of the fully-supported cycling training series. Beginning in 2023, this candidate(s) would own, lead, and continue the legacy of Ready2Roll Cycling into the future.

Currently, with over 1,000 enrolled participants, extensive documentation and essential, established points of contact, coupled with a best-in-class reputation, Ready2Roll Cycling is well-positioned for the new leader(s) to take it to the next level.

As you are aware, our current and previous participants have direct knowledge of this rewarding series and we hope that maybe one of you might just be the person or persons to come forward with interest. We are extremely grateful for the longstanding support by all of you!

If you, or someone you know might be interested, please reach out to Bo

Hudson, Transworld Business Advisors of Houston at (714) 343-0669 or
bhudson@tworld.com.

We thank you for all you have done to help us make Ready2Roll Cycling an
incredible offering. In the meantime, we continue this incredible journey with the
best training series anywhere!

Thank you very much.

Steve, Marshall, Jan and Robbie
